

# ESN SALENTO

ESN SALENTO is a student society set up by Italian students to help all Erasmus students studying at the University of Salento.

Through our activities we aim to **MAKE YOU FEEL AT HOME!**

We will **HELP YOU** in dealing with telephone companies and searching for a flat, so that you may find accommodation according to your needs. We also organise many different trips and many other activities and events.

We will help you to solve any difficulties you could encounter in Lecce.

**We are looking forward to seeing you here!!!**

## IMPORTANT!

We urge you to inform us of your arrival at least one week in advance.

Once you are in Lecce, the University Erasmus Office gives you the opportunity to be accommodated in a B&B at a reduced rate **JUST FOR THE FIRST 5 DAYS:**

€12 per day instead of the full price of €30

If you are travelling with relatives or friends, they are required to pay the full price.
